### Medical Projects

#### Objective:

To provide support for treatment, diagnosis, nutrition, palliative care and life-support for people affected by ailments, terminal illnesses and disabilities.

#### Support for cancer patient

Lysa, (65) who is a widow, living in Hasthampatti, Salem is affected by breast-cancer and undergoing chemotherapy. She has no source of income other than the widow pension on which she and her daughter are living. Our trust has taken her case for consideration and as an initial help, we have provided financial support for treatment and buying medicines for 3 months.

Lysa with her daughter Sheela

Sheela, who is the only daughter of Lysa, has expressed her thanks for the help provided to her mother through our trust as they are suffering to manage the household requirements, educational requirements in addition to her mother's medical requirements.
