### Slogans painting in Government High School, Immadihalli, Whitefield Bangalore

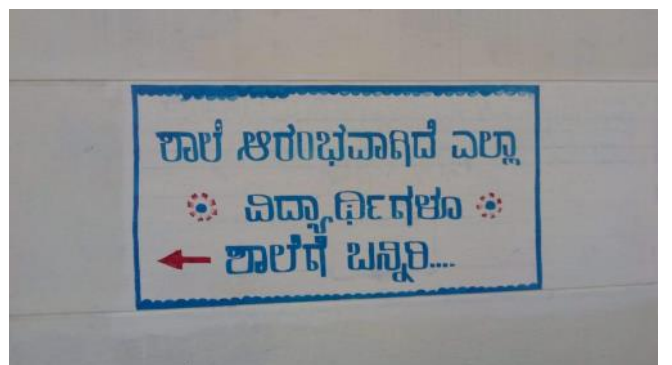

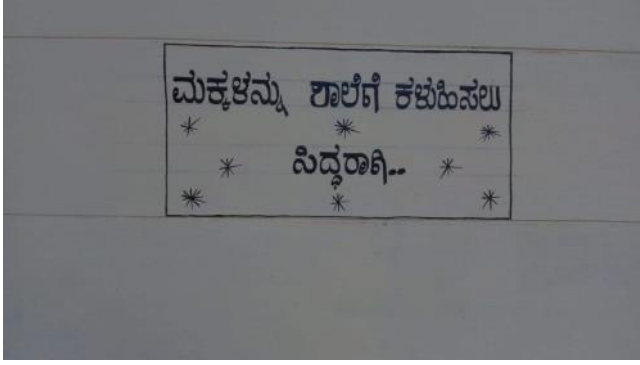

Immadihalli Government High School has been repainted recently and the plain walls needed to be painted with motivational slogans for children and teachers to read. We had a meeting with the School Headmaster and he requested us to undertake the job of painting the walls with the slogans and bear the expenses.

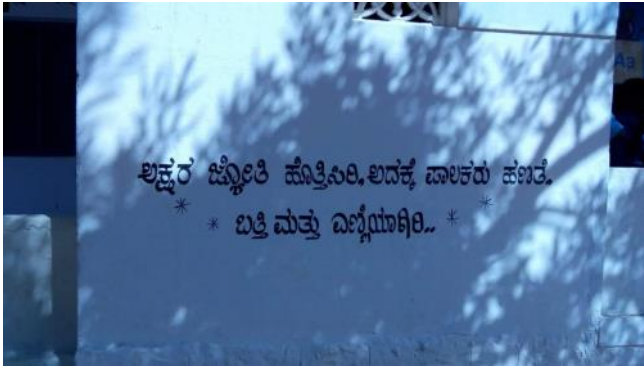

FAMIN Board has decided to support this cause as this would be an inspiration and motivation for the children as they come, learn and play in and around the school campus. There were 34 inspirational slogans recommended by the Headmaster.

We appointed a professional painting agency to paint the slogans in the outside compound wall and the walls of the verandas outside the classrooms. FAMIN has contributed towards all the expenses involved in this process such as paints, painting charges, wages for helpers etc.

The Headmaster, teachers and students have expressed their thanks for making a long-lasting impression that would be useful enlighten those who read the slogans in the wall.
