### Pack-a-bag Project 2019

Since 2013, FAMIN is in the process of supporting Children Education and projects for social welfare. 'Pack-a-bag' is one of those initiatives to help the poor and needy children who are studying in Government Schools in the outskirts of Bangalore City. The families which are economically stable and affordable to pay the tuition fees, send their children to private schools. Mostly the agricultural labourers, skilled and unskilled labourers are the people groups who are sending their children to Government Schools. Parents of these children struggle to meet their basic needs and providing educational needs for their children is an extra burden on their tight family budget. This leads to increase in dropouts from schools and results in demotivation for the children in progressing in their studies.

To minimize the dropouts from schools, to encourage the children for studying better FAMIN conducts 'Pack-a-bag' project during the beginning of every academic year. We pack a school bag with notebooks, pencils, brown-sheet wrappers, pencils, geometry boxes and other stationeries. The items packed in each bag varies based on the classes of the children and as per the requirements provided by the respective class teachers.

'Star Bags' is a bag company who is our bag partner supplying the school bags at subsidized prices. 'Diamond Stationeries' is our stationary partner who is supplying pens, pencils, geometry boxes etc. 'Chandra's' is our notebook partner who is supplying all the notebooks at discounted prices. We managed to purchase and gather all the items during the weekends and with the help of volunteers, segregated and packed the items as per the list.

On 29th June we have distributed the bags to 70 students in Bidarahalli Government Primary School. Apart from this, we have also distributed 10 bags to children who are studying in different schools. Children who have received the bags, conveyed their happiness and thanks to FAMIN Trust and all the sponsors. While expressing thanks, the Headmistress of Bidarahalli Government Primary School, has also suggested us, to provide bags to all the children in all classes, as every child studying in Government School is coming from a challenging and needy situation. Please view the pictures from the projects and letter from the school headmistress in the pages below.

# Bidarahalli Primary School

Date-29-06-2019  
Bidadarahalli

To whomsoever it may concern

This is to certify that a team from  
Famino Educational and Social Welfare  
Trust have visited our school on 29-06-2019  
June and have given school bags, notebooks  
and stationery items to seventy students.  
We appreciate this initiative and wish them  
all the best in their future and  
endeavours.

Thank you.
