## STATIONARIES AND EDUCATIONAL AIDS PROGRAM

### PROJECT SUMMARY

OBJECTIVE	TARGET BENEFICIARIES	BENEFICIARIES	DATE
To provide stationaries, study materials and learning items to school: <ul style="list-style-type: none"><li>• Exam writing papers</li><li>• White drawing/writing papers</li><li>• White chalks boxes</li><li>• Color chalks boxes</li><li>• Alphabet charts – Hindi</li><li>• Alphabet charts – Kannada</li><li>• Alphabet charts – English</li><li>• Number charts, Tables books</li><li>• Maps</li></ul>	1st to 10 <sup>th</sup> Standard students studying in: Kalkere Government High School, Kalkere, Horamavu	Students from Primary and Higher classes	25 <sup>th</sup> January 2022

### PROJECT OVERVIEW

TASK	EXPECTED OUTCOME	RESULT	REMARKS
Providing papers for exams	Needy children will be able to write exams without the burden of spending on stationaries	Children will use the papers for class tests and exams	
Providing drawing and writing papers	Children will use the papers for writing practice and drawing pictures	Learning, writing and drawing skills will improve for children	
Providing white and colour chalks for classrooms	Teachers will be able to write notes, hints, outlines to explain subject during classes.	Children will be able to learn better and copy notes from blackboard	
Providing learning charts with pictures for different languages	Charts with pictures on display will motivate children to study and learn better.	Children will be learning easily by the picture short displayed in classrooms.	
Providing maps for learning	Display of maps will help the students to understand the geography, borders, locations for history and geography classes	Children will be able to learn and understand topography, land and geo locations.	

## RISK AND ISSUE CATEGORY

ISSUE	CATEGORY	Solution
Poverty leads to school dropouts	Children education	Supporting with educational aids
Learning issues due to limited resources	Educational needs	Provision of learning items
Quality of education	Children education	Providing easy learning aids for better learning

## CONCLUSIONS/RECOMMENDATIONS

- Follow-up, supply of materials for each year would be needed.
- School children in other schools also need this kind of training.
- Sessions with teachers team and children need to be conducted periodically to understand requirements
