Investing in the Future: Pack-A-Bag Initiative

FAMIN Educational and Social Welfare Trust is committed to empowering underprivileged children by equipping them with the tools they need to succeed in education. In July 2023, we conducted the "Pack-A-Bag" initiative, a project aimed at providing essential school supplies to students in the outskirts of Bangalore.

Reaching Out to Schools in Need

Our dedicated volunteers, Ramesh, Vijay, Shobha, and Reuben, visited two schools:

- **Govt Primary School, Muthugadahalli:** In this school we catered to 14 students who received school bags, notebooks (single and double line, squares, and four line), color pencils, pencils, erasers, and brown sheets.
- **Gowtham High School (Govt Aided), B K Halli (Bandikodeghalli):** We supported 120 students from classes 8th, 9th, and 10th by providing them with ruled and unruled notebooks, geometry boxes, and brown sheets.

Building Strong Foundations for Learning

The "Pack-A-Bag" initiative ensured these students have the necessary supplies to actively participate in their studies throughout the academic year. This not only reduces the financial burden on their families but also develops a positive learning environment.

A Heartfelt Thank You

The headmasters, teachers, and students at both schools expressed their sincere gratitude to FAMIN and our generous contributors. Their appreciation motivates us to continue our work in supporting underprivileged communities.

Impact Beyond Education

The "Pack-A-Bag" initiative transcends the process of education, by equipping children with essential supplies, we contribute to their overall well-being and social development. This promotes a sense of inclusion and empowers them to reach their full potential.

A Call to Action

FAMIN's commitment to education requires the continued support of our donors and collaboration with government departments. Together, we can create a brighter future for underprivileged children.

We are grateful for the opportunity to make a positive difference!
